

Forest School Parent Feedback October 2017

Nursery pupils began weekly forest school sessions in September 2017. After a few weeks, we asked our parents what the early impact has been. 65% of nursery parents responded.

Does your child enjoy the sessions?

Yes	No
100%	0%

What have they told you they like to do in forest school?

Knock on the fairy doors	Collect conkers and count them	Make magic potions	Read stories
Exploring	Listen to 'Freddie and the Fairy' book	See the butterflies	Find sticks

How do you think your child will benefit from taking part in forest schools?

My child already knows more about nature	His mood is lifted when he has been outdoors	I think it will make her like the outside more	It gets the children to work together outside of the classroom
He loves being outdoors	She is closer to nature	Build her relationships with other children	She will be happy to get dirty

What would you like to see your child doing in forest school?

Making things to eat	Learning names of trees	Identifying flowers and insects	Learn about the seasons and how the forest changes
Interacting with other children	Having fun	Building things	Learning new things about nature

Would you be interested in a stay and play session in forest school?

Yes	No
93%	7%

Thank you for your feedback!

We will put your ideas into our planning.
