*Keeping me safe at home and at school*

We always check with a grown up before using the internet and use it at home where an adult can see what we're playing. We only go on sites that an adult has checked first.

We tell a grown up if we see, hear or read something that makes us worried or upset.

If we get stuck or lost on the internet we will ask for help.

We will be respectful of our friends online when we play or chat with them. We will not talk to, or play with, people we don't know.

Our name, address, phone number, birthday and school name are personal information. We never share them with anyone.

We will not bring mobile phones to school.
